About This Game

It's time to Skate the whole City!

Cally is back from her latest adventure and ready to take on her next goal, being a Professional Skateboarder! Utilize a classic combo system by linking together flips, grabs, gaps, manuals, grinds, and special tricks to rack up huge points and achieve Career Goals that will make Cally a Skateboarder of legend.

- 117 Levels across 4 areas of Mayfeather City
- Career Mode with Goals that must be achieved to unlock new areas to Skate
- Freeskate Mode that links all the levels together and makes one seamless Open World
- Responsive Trick system including Fliptricks, Grabs, Grinds, Gaps, Manuals and Special Tricks
- Bone-Shattering Bails
- Bonuses for more Style
- Save your favorite Instant Replays to watch later
- Fast-Paced Arcade Skateboarding Action from a side perspective

To make it as a Professional Skateboarder, Cally will have to Skate all of Mayfeather City and utilize every trick she knows. Will she have what it takes?

It feels like a plain copy of OlliOlli. I had more fun with OlliOlli than this. The controls are way easier though.

Too bad it's still bland and not fun.
